A bridge honoring the memory of Gov. James E. Folsom, approximately midway between Edg and Arton. Dedication ceremonies on April 6, are scheduled for 2 p.m. It was announced.

This will be the J. Marion Folsom Bridge located at the site of the old Dismale Bridge across the river near Victoria, approximately midway between Edg and Arton. Dedication ceremonies on April 6, are scheduled for 2 p.m. It was announced.

The Governor's father served as a deputy sheriff of Coffee County, Commissioner of the Northwest District, from 1905 to 1909, and Tax Collector from 1909 until his death in October 1919.

In addition to the Governor, surviving sons and daughters and Mrs. Thekla Clark, Mrs. Ruby Folsom Ellis, Mr. Fred Folsom, and Mr. Robert Folsom, all of Edg, and Mr. Cecil Folsom, of Gadsden.

The public is invited to attend the dedication.

LEGION TO PLAN THREE EVENTS AT NEXT MEET

The regular monthly meeting of the American Legion and Auxiliary will be held jointly Thursday, April 3 at 7:30 p.m. at the Legion Hut on the value of the principal crops produced in Alabama and compared with the decline in farm income. Bad weather brought a 25 per cent reduction in the value of the principal crops produced in Alabama and compared with the decline in farm income. Bad weather brought a 25 per cent reduction in the value of the principal crops produced in Alabama and compared with the decline in farm income.

Arrangements will be made at that meeting for several approaching events including: Girls' and Boys' State, a political rally here April 26, sponsored by the Legion including Bar-B-Q and entertainment, and the Spring Conference of the Auxiliary April 12.

The local Auxiliary will be host to the Spring Conference of the Ninth District which includes the following places: Abbeville, Elba, Enterprise, Geneva, Hartford, Headland, Ozark and Roy.

Mrs. Billy Ernest of Mobile, state Legion Auxiliary president, and other officials will attend.

'58 CAGERS OF ELBA HIGH HAVE ANNUAL MEET

The Elba High School Basketball Team of 1958 enjoyed the annual banquet at Padgett's Cafe Tuesday night when Coaches Travis, Bowdoin, and McCutley along with the Varsity and Bee team members were treated to a chicken supper. Guests were Principal Marion Brunson and Superintendent S. J. Casey.

Letter awards had been previously given to the following team members: Harvey Griffin, James Walker, Paul King, Terry Brooks, Tom Dyess, Jerry Brooks, Jimmy Wiley, Britt Kelley, and manager Mickey McCollough.

CLINIC HERE

Dr. W. C. Hannon, orthopedic surgeon of Mobile, is seen here as he examines a child in braces at the Crippled Children's Clinic for observation and diagnosis held at the First Baptist Church here last Friday, March 21. The program was assisted by Miss Nellie Davidson of the district office, Andalusia.

SALE OF EASTER SEALS TO OPEN HERE THIS WEEK

The Annual Fund Drive for the Alabama Society for Crippled Children and Adults will begin for Coffee County this week. This program is commonly known as the Easter Seal Drive with the purpose of raising funds to treat and care for crippled children and adults who are not financially able to have treatment.

During the last fiscal year, 314 Coffee County children and adults have been receiving treatment under the program. This treatment consisted of 126 days of hospitalization, X-rays, Drugs, Appliances and wheel chairs and all other treatment for people crippled from any cause. The funds raised in Coffee County each year are matched by State and Federal Funds and are expended for treatment of crippled children and adults.

In most instances, Doctors and experts such as Dr. Hannon of Mobile, contribute their services free in these cases. It is estimated that during the last fiscal year crippled children of Coffee County received treatment which would cost more than \$200,000. The amount of money raised in Coffee County in any one year.

Mrs. Margaret Haire, West Coffee County Chairman, urged her committee urge every person to contribute to this cause with the knowledge that every dollar spent will assist someone less fortunate than the giver. In the event the workers fail to see you personally, please mail your contribution to Mrs. Haire or to the Postoffice in care of the Crippled Children's Service.

John Brunson Gets Setwite TB Post

The Board of Directors of the Society for the Eradication of Tuberculosis in the Wiregrass met in Dothan last week for their regular quarter Board Meeting.

Representing Coffee County were: John Brunson of Elba and Mrs. Jean Farris and Mrs. Una Edwards of Enterprise.

Mr. Brunson was appointed SETWIRE Budget and Finance Committee and Mrs. Farris was appointed chairman of SETWIRE Publicity Committee. Mrs. Edwards is Coffee County's representative on SETWIRE's Executive Committee.

The SETWIRE organization promotes tuberculosis control work in the seven counties in southwest Alabama and is supported solely by the sale of Christmas Seals.

FOX HUNT AND BAR-B-Q

A bar-b-q and fox hunt will be held Saturday, April 5, at the Coffee County Lake. Supper will be served at 7:30 p.m.

PROGRESS MADE FOR BUILDING METCALFE ROAD

Improvement of the Metcalfe road moved a step nearer at this week's meeting of the Board of County Commissioners when the board voted to borrow \$10,000 at 2 1/2 per cent interest from the Enterprise Banking Co. to use in purchases of land for the right of way.

Present were Commissioners: Tidwell, Bowden, Brown and Whitman with Probate Judge J. O. English presiding.

The board discussed with an interested delegation details incident to expropriations of the old Polks Home, voted to buy a truck from Peacock, Warren Motor Co., of Enterprise for \$2,234.42 as the low bid of four bids submitted; voted to ask bids for the purchase of a 1 1/2 ton dump truck; to repair breaks in the road between Wilkinstown to the county line, to buy a carload of slag for use in road repairs and to buy two separate lots of lumber, one of 5,000 feet and the other of 4,000 feet.

Fire Damages Auto From Overheated Flat Tire

Fire that started from an overheated tire—that's right; an overheated tire—damaged the automobile of Walter Jones of Elba, to the extent of about \$350 last Friday about 9 p.m. on Brantley highway at Ham's School before the blaze was extinguished by the Elba Volunteer Fire Department.

Jones was driving towards Elba when a tire went flat. He drove several miles further, then parked it and proceeded to Elba with a passing motorist to get help. When he returned to the car the tire, which had become overheated during the drive while flat, had burst into flame and the fire was spreading rapidly.

He called the firemen.

For Quick Results, Classified Pays Store Manager

As manager of Piggly Wiggly, B. T. Stanford has never had any doubts about the value of half-page display ads because his customers have long learned to watch for Piggly Wiggly values in The Elba Clipper.

Last week he learned that a little three-line ad in Classified gets quick results. He advertised his new inventory of 11 words in the issue of The Elba Clipper Thursday, March 20. By Saturday, when customers were looking into the store to buy the values advertised in the half-page display, he had also sold his used lawnmower to a purchaser who learned about it through Classified.

Seniors of Kinston Will Present Play

The Senior Class of Kinston High School will present a three-act farce comedy, "A Cat Has Nine," Friday, April 4 at 8 p.m. in the Elementary School Auditorium. The cast is as follows:

Mrs. Allen-Peggy Gooden, Myrtle Dwyer-Mary Ellen Wyrddick, Chester Allen - Perry Dyess, Jane Clark - Myrna Johns, Betsy Ann Allen - Peggy Bailey, Lynn Kirk - Peggy Ann Lunsford, Mr. Eben Allen - Dykes Wise, Dr. Tuttle - Quinn Kelley, Hilda Fitzmaurice - Mary Ann Moody, Mrs. Clark - Patsy Wallace, Honeychile Henson - Margie Phillips.

Admission will be 25c for students, and 50c for adults.

Co-Op Sales Total \$27,576.46 Mar. 20

The Farmers Co-Op Livestock Market at Elba sold livestock for Coffee county farmers totaling \$27,576.46, Thursday, March 20.

Hogs brought: Light 1's, 21.15; Heavy 1's, 21.09; No. 2's, 20.50; No. 3's, 19.94; Feeders up to 19.00. Fat Cattle sold up to \$28.10.

Total head sold 726; 656 hogs and 70 head of cattle.

Soil Bank May Be Open Again For This Area

The Chairman of the Coffee County ASC Committee, Lester Gunter, reports that most farmers who wanted to take part in the 1958 Acreage Reserve of the Soil Bank, but could not file signed agreements because of fund limitations, will apparently be able to sign up at the county office in the near future.

Both the Senate and House of Representatives have approved a supplemental appropriation of 250 million dollars to provide for additional acreage reserve participation. This will bring the total to 750 million dollars for the 1958 program. Because agreement on some detailed program provisions must still be reached in House-Senate conference, Congressional action on the supplemental appropriation is not yet complete. As soon as final action is taken, the county committee will get the "Go Ahead" for completing the sign-up. Preliminary steps have been taken by the State ASC Committee to prepare the way for immediate action when the supplemental funds are authorized.

In addition to farmers who have already filed signed agreements, which were in general covered by the initial appropriation for the Acreage Reserve, other eligible farmers will be in position to take part in the enlarged program. These will include those whose names are on "waiting list" registers at the county office, and possibly other where there's evidence that they made an attempt to participate during the sign-up period.

Goal - Line Play in Black and Gold Game

Halifax Jimmy Wise is shown carrying the ball as he makes good an extra point for the Black Squad in the second quarter of the Black and Gold game on a wide sweep around right end. Other players identifiable are Earl McCollough, 18, Joe Rex Chandler, 17, and Henry Clark, standing just to the rear of Chandler. (Complete story on inside page.)

EASTER

Signs of Easter are appearing everywhere! Church choirs of the various churches are in the midst of rehearsals for special Easter music at regular services Easter Sunday.

Advertisements in this issue of The Elba Clipper tell of Easter values offered by local merchants.

Yes, signs of approaching Easter are appearing everywhere!

Easter Symbols Stem From Old Folk Tales

Practices and beliefs of nearly a thousand years ago are responsible for hatching the Easter bunny, baby chicks, blueprints and tricking lambs as the emblems of the Easter season.

Even fully new Easter bonnets have a legend to support them.

New clothes at Easter were believed to bring luck for a whole year. An old verse says: "On Easter let your clothes be new, or else be sure you will it rue."

The board had formerly voted, and then rescinded, a 21 per cent rate increase and a suit is now pending against the district seeking to have larger increase reinstated. The suit was filed by LaSalle National Bank of Chicago, which holds \$70,000 in revenue bonds of the gas district.

Soil Conservation Service News

By T. C. Self & Joe Wildman
The value of the pine tree to Coffee County and to the South is beyond our imagination. Think of the many ways pine trees are beneficial to us. Lumber for construction, pulpwood for making paper and cardboard, fuel for heating our homes, shelter for animals and a very important part of the holding of our soil. Water and other natural resources where they have done the most good.

Considerable interest in reforestation is evident in Coffee County. As one rides in and through the various communities of the county the newly planted pine trees are in evidence. In twelve to fourteen years these trees will average eight inches in diameter. On the average five cords of pulpwood can be turned from one acre of pine trees in a spacing of D-6. In an additional five years the yield will increase to twelve cords of pulpwood per acre. As a tree grows from a twelve to a fourteen inches it doubles in board feet production.

4-H NEWS Round-up

BY TOM CASADY - ASSISTANT COUNTY AGENT

Almost all Coffee County 4-H club members have selected projects for 1958 and this past week we've been preparing and mailing information on carrying these projects to a successful conclusion.

Boys need the help of parents in getting off to a good start with their projects. Let's all join together and give our boys the encouragement and help they need.

A lot of good corn, garden pig, chicken and calf projects are being started. We're looking forward to visiting each boy during the summer.

DEAN HOWELL
Dean Howell, son of the Ramoth Howell, near Goodman, is proud of his 1009 pound steer. Dean is a first year club member at Goodman school. Late in August Dean went to Americus, Georgia with us and others to buy his calf. He's come a good job. Hope he'll feed two instead of one next year. And mentioning one, Dean is one of our training meeting in Elba Saturday for all the boys and girls who are feeding steers for the show. Hope we'll have 100 per cent attendance.

April Demonstration
New Hope and Zion Chapel 4-H club boys will be the first to learn about killing bitterweeds. All farmers know how bad bitterweeds can make milk taste. And too, bitterweeds take up space, moisture and fertilizer that good grasses need. I guess almost every farmer can remember going without milk or having to keep the milk cow up for 3-4 weeks in the spring because of the terrible taste caused by bitterweeds. In April we're planning to declare war on bitterweeds in Coffee County. We'll find a patch near the schools spray part of it and leave an area unsprayed to see how much good it does. We'll let you know in later news how it works.

Soil Conservation Service News
By T. C. Self & Joe Widdman

Recent heavy rains made many Coffee county farm fields muddy. Several, however, remained clear. The sil-colored ponds attest too easily erosion while the clear fields reflect water and soil conservation.

T. C. Self, Soil Conservationist for West Coffee states that any good fish pond can be protected against mudslides.

The most common sources of erosion are pastures which were grazed too closely, unpaved roads, bare roadsides, field borders and cropland. A better sod with more grass cover not grazed too closely will stop the erosion in the pasture. Strip-cropping and more crop residue turned into field soils will reduce and sometimes stop completely, the washing of topsoil from these valuable lands. Field borders can be planted with vegetation for wildlife. A pond can be protected from erosion if grass cover is planted in roadway drains or with a terrace-type waterway to divert muddy water around the pond. Muddy ponds produce a poor pondage of fish. The life length of a pond itself is shortened rapidly by silt. A pond is a harbinger of erosion, versus good water. Most cooperators in Coffee County are trying to keep it "reading" clear.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

I sat on the sands, watching the palm trees, the city silhouetted against the sky. And as I did, suddenly the city wasn't there any more. I saw only the palms.

It was like being transported to another time and place. I felt as if I were in old Jerusalem. It was the day when He was entering the city, and His devoted followers had strewn palm leaves in His path. In church, that morning, our minister had told us the story of Palm Sunday. Now I realized how much this message meant to me.

Watching the palms, I realized that all of us need help in understanding life's basic truths. We find that help in the Church. Then we can dwell upon what we have learned until it has full meaning for us... as Palm Sunday, now, has for me.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest asset on earth for the building of character and good citizenship. It is a repository of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Harvey Griffin, a Senior, was chosen by the Elba High School basketball team as the captain-elect for the 5-38 season. Harvey is an All-SAC and All-Second District player and has been for the past two seasons. He was second highest scorer for the Tigers this season.

MOST VALUABLE
Jerry Brooks was chosen by his teammates as the most valuable player for the Tigers this season. Jerry is an All-SAC and All-Second District player and has been for the past two seasons. He was second highest scorer for the Tigers this season.

BEST DEFENSIVE
Paul King was chosen as the Tigers' best defensive player for the past season by his teammates. Paul is a Senior and was chosen as Honorable Mention for the SAC and 2nd District teams during the past season. Paul has shown a fine defensive game both on rebounding and floor play.

BLACK - GOLD GAME ENDS IN 27 TO 27 TIE

It was a battle of the Titans Friday night when the Black and Gold teams took the field for the annual intra-squad game in Elba Stadium. The hotly contested game ended in a 27-27 tie and a huge surprise for the spectators on hand.

Both teams showed a fine overall team performance, cooperation and hustle at all times on the field and were evenly matched. Bright new prospects for the coming season were popping up all over the place as the Blacks and Golds blocked, tackled, and scored like seasoned veterans. Both teams defense were well coordinated and showed good application of the fundamentals taught in the last three weeks of Spring practice. Particularly noteworthy was the team tackling. After every play, most of the boys on each side would be right with the ball carrier, blocking and tackling fiercely.

The Blacks won the toss and received. The solid Gold forward wall held them to 4 yards in three downs and then proceeded to block the end run. The Blacks recovered and put the ball in play on the Black 20-yard line. From there, it took only five plays to score with quarterback Jimmy Sanders going over for the tally. The extra point was no good.

The Blacks retaliated soon after the kickoff and scored after a hard-fought battle in which the offense had to really fight for every yard gained. Jimmy Wise scored the TD for the Blacks and also got the extra point to go ahead, 7-0.

From then on it was a close battle all the way. A 29 yard pass from QB Sanders to end Bobby Inman put the Blacks in scoring range again and they scored about 15-7 on a TD by McCollough and PAT by Billy Joe Brunson. Charles Matthews broke away on a long run for another Black TD.

The second half went the same way hard won gains by both teams and several fine defensive plays.

At the first of the spring drills, several switches were made to balance the Tiger squad. Glenn Hudson was switched from fullback to center, and Billy Joe Brunson from center to fullback. Jimmy Sanders was switched from halfback to quarterback where he commenced to make things tough for the regular field general, Carl Nelson. Jack Flowers added depth in the line when he moved from halfback to end and Mike Weeks proved his worth at the center position. All these changes have proved to be a great help in building a well-balanced Tiger team for the coming season.

ELBA NFA HAS TUCKER WINNER IN QUIZ GAME

The Elba Colored High School New Farmers of America took part in the Federation VII activities last Thursday, March 20 at the Pike County Training School, Brundidge. Twelve schools were represented.

Clarence T. Tucker, son of Mr. and Mrs. S. T. Tucker, won first place in the quiz contest. The three members of the live-stock judging team, H. B. Reynolds, Edward Porter and John C. Askew, along with Clarence T. Tucker, quiz contestant, will go to Tuskegee Institute April 23-24 to compete for state honors.

James I. Dawson is vocation agriculture teacher and NFA advisor.

Smokey Says:

Let me put a bee in your bonnet—be careful with any fire!

OUT ON A LIMB
By Stumpy McCallach

The foreman of a logging camp where 100 men and two women were employed was inclined to write lengthy reports.

"Pat, I'm a busy man," said the manager. "I haven't time to read long reports. Tell 'em down. Give me the facts in percentages."

In the next report appeared the following item: "Last month one per cent of the men married fifty per cent of the women."

Take one acre of fully stocked Southern pine on a good site and under real good management. Say you plant year-old seedlings. And say you're gonna cut for continuous growth—in other words you're going to thin only.

At the end of 12 years you can cut about five cords of pulpwood when trees are 6' in diameter—worth \$20 at \$4 a cord. That about covers management costs and interest up to that time.

From then on at five-year intervals you can cut seven cords of pulpwood worth \$28; 1,000 board-feet of lumber worth \$44 at \$44 per thousand board-feet; 2,500 board-feet for \$120, up to a maximum of 4,000 board-feet worth \$176, 47 years after planting.

This means that the owner of one acre of mature, well-managed Southern pine can cut \$23.50 worth of timber every year, or \$176 worth every five years.

Does forestry have any problems? It sure does. Experts have figured these as the ten most important ones:

1. Protecting our timber resources.
2. Growing better trees.
3. Growing more trees.
4. Harvesting for continuous growth.
5. Keeping a continuous growth.
6. Getting maximum recovery.
7. Realistic forest management.
8. Facing policies to encourage tree farming.
9. Finance and insurance.
10. Educational responsibilities.

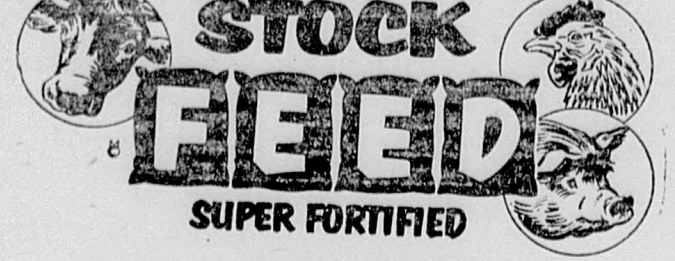

A highbrow is a man who has found out that 2 more acres than women.

So long! See you next week!

OCEAN TO OCEAN ACROSS SOUTH AMERICA—AND BACK—IN 41 HOURS!
CHEVY'S NEW V8 LEVELS
THE HIGHEST, HARDEST HIGHWAY OVER THE ANDES!

To prove the durability of Chevrolet's radical new Turbo-Thrust V8, the tremendous flexibility of the new Turbo-Thrust transmission, the incredible smoothness of Full Coil suspension, we tackled the most challenging transcontinental road in the world—the 1,000-mile General San Martin Highway. To make it harder, the Automobile Club of Argentina sealed the hood shut at Buenos Aires — no chance to add oil or water or adjust carburetors for high altitude.

So the run began — across the blazing Argentine pampas, into the ramparts of the forbidding Andes. Up and up the road climbed, almost 24 miles in the sky! Drivers gasped for oxygen at 12,572 feet — but the Turbo-Thrust V8 never slackened its torrent of power, the Full Coil springs smothered every bump, the Turboglide transmission made play of grades up to 30 percent. Then a plunge to the Pacific at Valparaiso, Chile, a quick turn-around and back again. Time for the round trip: 41 hours 14 minutes — and the engine was never turned off!

BY MRS. ROBERT CANNON

REGRETTED to learn that a death in the family had called Ann Nichols home this past week. I talked to Ann on Monday and she was then expressing concern over her mother's illness but had not planned to leave until the weekend. On hearing of her mother's death, however, Ann went to stay with her mother so that Mr. Nichols could attend his brother's funeral. Our thoughts have been with Ann this last few days.

LOTS OF NEWS from the high school and the big question there is "How will the Bees spend all that money?" The club earned some seven hundred dollars in their recent magazine sales, selling more than a hundred dollars worth of subscriptions. As this club has been responsible for many of the high schools "Nite Tones" over the years, we are interested to hear what this year brings.

A FASHION SHOW will delight the audience at the April meeting of the P.T.A. and this one promises to be especially lovely. The dresses are made of such unusual fabrics that they are literally new. Some twenty-five young ladies of the Home Ec. Department will model the clothes they have made. And, the nice thing about it all, is that they will present the same program in assembly the following morning.

VISITING here last week was Mrs. John Erick of New Brockton who came over to stay with young Mary and Olive Collier. Pomeroy and George were in Florida attending the Dorsey Convention, and I don't know how much fun they had, but grandmother had a perfectly marvelous time with her two little blonde charges!

CALLED Mrs. Oia B. Kendrick to congratulate her on

being elected President of District Three of the Alabama Education Association, and found that she has already assumed her duties. She has attended one meeting in Montgomery and will, of course, be among those in Birmingham this week for the A.E.A. conference.

A very exciting trip to Cleveland, Ohio to attend the National Education Conference is in store for Mrs. Kendrick in late June. Know that will be a thrill and a life-long memory. And she will provide over the weekend visit over the three days in Troy at the college in Elba, according to what was told it was because everyone could drive to it in a short time.

ENJOYED a glimpse of Mary Will and Jack Dickett on their weekend visit over the three days in Troy at the college in Elba, according to what was told it was because everyone could drive to it in a short time.

From Our Early Files

22 YEARS AGO
Elba's policemen have new police caps.

Officer Walker Thomas, is the proud possessor of a brand new rabbit's foot that he claims him to the capture of two bootleggers last Sunday afternoon. Officer Thomas pulled up to the side of the suspected car and de-manded that the bootleggers turn over their liquor. The two occupants surrendered meekly and are now in the County Jail.

At least two more modern dwellings will be erected in West Elba in the near future. It would seem that Mr. and Mrs. W. K. Farris, whose new home has just been completed, have set the example for others in that section of the city.

J. M. Garrett, local horticulturist and landscape gardener, has beautiful azaleas abundantly covering his flower garden. The current notice is one of the beauty spots of the community this time of year.

The Schumann Music Club has definitely entertained Wednesday afternoon. Nina English and Betty Farris were joint hostesses in the home of Mr. and Mrs. Lang English. A musical program was enjoyed by all after which the following officers were elected for the coming year:

President: Eleanor Brunson; Vice - President Joan Clark; Secretary - Treasurer Marjorie Murphree.

Refreshments were served upon completion of the business session to the following guests:

Anne Dunnaway, Frances Nell Windham, Nina English, Joan Clark, Jeanette Lubert, Marjorie Murphree, Ruth Windham, Eleanor Brunson, Nell Rushing, Betty Ann Farris, Carol Stephenson, Anne Wright, Martha Edmondson.
